Each such assessment together with interest, costs and reasonable attorney fees shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The lien may be enforced by suit brought by the association or the Developer.

SECTION 3. Regular Annual Assessment. The Developer shall set the first annual assessment.

No such subsequent meeting shall be held more than 60 days following the preceding meeting.

No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his lots.

SECTION 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to a first mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Said easements shall consist of the right of egress and ingress to the easement across the lots of this development, together with the right to trim, cut or remove any trees or vegetation necessary to accomplish the above stated purpose. Subsequent owners of the herein described property shall have no cause of action against Developer or its licensees, successors, heirs, or assigns, or the Association either at law or in equity by reason of any damage caused to said property in location, construction, operation or maintenance of the water or sewer lines, except in the case of gross negligence. Developer or the Association may convey these utility easements to any public or private utility company providing utility service to any portion of the Development.

Developer and each person to whose benefit this Declaration inures, including the Association, may proceed at law or in equity to prevent the occurrence, continuation or violation of any provision of this Declaration and the Court in such action may award the successful party reasonable expenses in prosecuting such action, including attorney fees.

SECTION 2. Suspension of Privileges. Developer, until such right is transferred to the Board of Directors of the Association and thereafter, such Board, may suspend all voting rights and rights to use the Association's common area of any owner for any period during which any Association assessment against such owner remains unpaid or during the period of any continuing violation of the provisions of this Declaration by such owner after the existence thereof has been declared by the Board.

SECTION 3. Cumulative Rights. Remedies specified herein are cumulative and any specifications of them shall not be taken to preclude an aggrieved party's resort to any other remedy at law or in equity. No delay or failure on the part of an aggrieved party to invoke an available remedy in respect of a violation of any provision in this Declaration shall be held to be a waiver by that party of any right available to him upon the recurrence or continuance of said violation or the occurrence of a different violation.

X. GRANTEE'S ACCEPTANCE

SECTION 1. Each grantee or purchaser of any lot or parcel shall by acceptance of a deed conveying title thereto or the executing of a contract for the purchase thereof, whether from Developer or a subsequent owner of such lot or parcel, accept such deed of contract upon and subject to each and all of the provisions of this Declaration and to the jurisdiction, rights, powers, privileges and immunities of Developer and of the Association. By such acceptance such grantee or purchaser shall for himself, his heirs, devisees, personal representatives, grantees, successors and assigns, lessees, and/or lessors, covenant, consent and agree to and with Developer and the grantee or purchasers of each other lot to keep, observe, comply with and perform the covenants, conditions and restrictions contained in this Declaration. Such acceptance shall further constitute an acceptance of the property therein conveyed "as is" and an acknowledgment that the Developer has fully performed all of its obligations with respect to said property or the Owner thereof. No Owners shall have any cause of action against Developer subsequent to the acceptance of such Owner's deed for any act, omission, or representation occurring prior to the delivery of said deed, unless said representation is in writing and expressly states that it is to survive the acceptance and recording of such owner's deed.

SECTION 2. Severability. Invalidation of any of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions that shall remain in full force and effect.

SECTION 3. Term of Declaration. The covenants and restrictions of this Declaration shall run with and bind the land and be binding upon all parties claiming an interest in the land until January 1, 2025, after which the same shall automatically renew for successive periods of ten (10) years each unless terminated by a majority vote of the Association.

SECTION 4. Equitable Servitudes. Developer specifically denies that the imposition of these restrictive covenants, or any amendments or supplements thereto, upon the real property known as MISSION BAY TOWNHOMES creates any equitable servitudes upon any other real property owned by Developer or any of its partners and each lot owner, successor in interest and transferee of any lot or tract shall be deemed to deny the existence of any equitable servitudes by acceptance of any conveyance of any real property interest in MISSION BAY TOWNHOMES.

SECTION 5. Reservations by Developer. In addition to the reservations and exceptions as hereinbefore set out, Developer specifically retains:

- a. The right, power, authority and ability to allow Developer, its heirs, assigns, transferees, grantees, and successors in interest to use and enjoy any and all amenities of MISSION BAY TOWNHOMES including, but not limited to, the roadways, and common areas, upon the payment of its pro rata share of the operation and maintenance of any said amenities as if, and on the same basis as a lot owner of MISSION BAY TOWNHOMES.

All such annexed properties shall be subject to all of the terms of this Declaration, with the exception that Developer may alter the minimum square footage of houses in any non-lakefront addition as the Developer deems appropriate. Such annexation shall be accomplished by the recording of a Supplemental Declaration and Plat describing the property to be annexed and the minimum square footage for houses thereon.

Each lot owner, successor in interest and transferee of any lot or tract shall affirm such reservation by acceptance of any conveyance or transfer of any real property interest within MISSION BAY TOWNHOMES.

SECTION 6. Amendment. This Declaration may be amended by the Developer until 100% of the lots in MISSION BAY TOWNHOMES or additions thereto have been conveyed to individual lot owners and thereafter such right of amendment is vested in the Association and if by the association such amendment shall have attached to it resolution of the Board of Directors of such Association attesting to the action of such Association and the said restrictions shall be prepared in form suitable for filing and filed in the Office of the Recorder of Deeds of Camden County, Missouri.
